THE CLERY ACT

The Jean Clery Disclosure of Campus Security Policy and Crime Statistics Act, as part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security and fire safety policies. The act includes:

The Clery Act, formerly known as the Crime Awareness and Campus Security Act, was signed in 1990, and is named after 19 year-old, Jeanne Clery, who was raped and murdered in her Lehigh University residence hall in 1986. Clery's parents lobbied Congress to enact the law when they discovered students at Lehigh hadn't been notified about the 38 violent crimes that had occurred on campus in the three years prior to Clery's murder.

Jeanne Clerk Disclosure of Campus Security Policy. The law was amended in 1992 to add a requirement that schools afford the victims of campus sexual assault basic rights, and was amended again in 1998 to expand the reporting requirements. The 1998 amendments also formally named the law in memory of Jean Clery. Further, the law was amended in 2000 to require schools beginning in 2003 to notify the campus community about where public "Megan's Law" information about registered sex offenders on campus could be obtained: https://app.doj.mt.gov/apps/svow/search.aspx

Given the size and culture of the ANC Community, informal resolution is the most desirable route. A win-win agreement will be the goal. This does not mean to indicate that a person will not be sanctioned as outlined in this code. Rather, the welfare of the person violated and the FB community will be of a higher priority. A summary or written statement will be generated. This may be by the complainant/victim at the request of the Dean of Student Affairs or may be compiled by the Dean of Student Affairs. The Dean of Student Affairs or designee will attempt to reach an agreement or resolution with appropriate parties within five (5) days of notification;

Appeal Procedures

A student can request a hearing, which will be scheduled no longer than 15 days after the charges are presented. The hearing is held before the Dean of Student Affairs (or designee) OR in cases of a more serious nature, the student may choose a hearing before a Student Appeals Committee made up of staff and faculty.

Recommendations are to be forwarded to the Dean of Student Affairs within 3 working days after the Hearing.

The accused is notified within 5 working days after the recommendation. The victims may request to be notified of the outcome of the hearing, including sanctions.

The decision of the Dean of Student Affairs is final, unless the student elected to appear before the Student Appeals Committee. The decision of the Student Appeals committee is final. However, the President of the College may request a review of the case, but the decision of the committee is final.

Interim Restrictions

The Dean of Student Affairs or designee may impose immediate/interim sanctions on a student pending a hearing if there is reason to believe that the student's conduct poses an imminent and substantial threat of injury or interference with persons or property.

The Dean of Student Affairs will meet with the student and inform them of the basis of the interim sanction and offer the student an opportunity to explain. The Dean of Student Affairs may modify or delete the sanctions or may allow them to stand. Any party to the proceedings may request the privilege of presenting witnesses subject to the right cross examination by the other parties. Production of records and other exhibits may be required and a record will be kept of the proceedings. In cases of probation or suspension, the student may have a choice of one of the following:

- Appear before the Dean of Student Affairs and accept the decision

- Appear before a Student Appeals Committee made up of three students, three faculty members and a chairperson from the administration. The chairperson will be a non-voting member and not the Dean of Student Affairs.
