This is a fulltime administrative supervisory position. Benefits: Paid holidays, health insurance (limited dental and vision), 401K and life insurance option. The Dean of Academic Affairs is the direct supervisor.

**PERFORMANCE OBJECTIVES:**

- Ensure the Nursing Education (NE) program is implemented as planned.
- Prepares documents needed for NE program compliance.
- Ensure the NE program fulfills its educational and employment objectives.
- Facilitate accreditation of training programs with the Board of Nursing (BON), also making sure regulatory statues and standards on the state and federal level are followed and enforced.
- Coordinates the NE program activities.
- Evaluates NE program staff annually.
- Chairs advisory board meetings and disseminates NE program information to the community.
- Attends the quarterly BON meetings in Helena and networks with all schools of nursing throughout the State of Montana.
- Is the liaison for cultural immersion for other faculty and staff in the NE program.
- Responsible for curriculum development, review and assessment adhering to the regional accrediting body and the accrediting BON.
- Ensure students in the NE program have passed background checks, hold a current health history for clinical work and maintains records on all aspects of the NE program.
- Provide day to day oversight of the clinical contracts ensuring institutional and program policies related to supervision and guidance of students are followed.
- Be responsible for oversight and guidance for all aspects of the RN program.

**QUALIFICATIONS:**

- Master’s Degree in Nursing required; preferred PhD in Nursing.
- Current unencumbered license to practice as a RN in Montana.
- Minimum of two years of experience in nursing and nursing education.
- Administrative experience of nursing faculty and accreditation.
- Experience in oversight of clinical supervision and guidance of students.
- Leadership qualities for ensuring program fulfills educational and employment objectives.
- Demonstrates commitment to the Mission of Aaniiih Nakoda College and possessing interpersonal communication skills.
- Experience in curriculum development, review and assessment for nursing education.

**AANIHH NAKODA COLLEGE  
JOB DESCRIPTION**

- Ability to facilitate student clinical placements throughout the Fort Belknap Indian Reservation and surrounding clinical sites.
- Willingness to travel to any and all selected training sites on and off the Fort Belknap Indian Reservation for student visits and evaluations.
- Exhibits professionalism, reciprocity, kindness, and humility when working with students and faculty; leads by example as a health care leader.
